

# LED Recessed Troffer

05

Transform your lighting into an exquisite balance of refined appearance and superior efficiency.

Our wide variety of quality recessed troffers is perfect for any commercial application. They are perfectly suited for offices, as the well distributed light enhances productivity and reduces fatigue.

# LED Panel

Boasting a universal driver that can operate from 120 V to 347 V and high lumen packages, the STANDARD commercial grade panels are the perfect solution to meet required light levels in any application. Offering an extended warranty of 10 years is a testament to the quality of the edge-lit panels STANDARD offers.

- Consistent even dimming you can depend on
- Designed to fit seamlessly into existing T-bar systems or alternatively can be surface-mounted or suspended for a unique look
- Ideal replacement for traditional fluorescent fixtures
- Premium quality components ensure optimal heat dissipation, consistent colour and longevity
- Optical system utilizes a unique combination of reflective and refractive optical components to achieve a uniform, comfortable appearance.
