

Circline, Cloud and Squareline

Features and Benefits

- Specially designed for energy-saving lamps
- Feature a sleek, simple, and decorative solution for both residential and retail applications
- Available in a variety of sizes in either acrylic or polycarbonate (for high vandal areas)
- These diffusers bring an updated look to residential and high-end commercial applications
- Can be used with linear, circular, u-shaped or compact fluorescent lamps

Applications

- Bathrooms
- Restrooms
- Corridors
- Hallways

Drop Pan

Features and Benefits

- Formed panels designed for fixture door assemblies or lay-in T-bar fixtures
- Available in 1 ½" depth and made of fluorescent grade white acrylic
- These diffusers offer excellent light distribution and provide improved light transmission
- Can be used with linear, circular, or u-shaped fluorescent lamps

Applications

- Replacement diffuser
- Restaurants
- Kitchens
- Bathrooms

Order code	Description	Colour	Material	Nominal size (in.)	Trim size (in.)	Drop size (in.)	Depth (in.)	Draft (°)

Unilite

Features and Benefits

- The Unilite is a simple and economical method of converting a regular bare fluorescent striplight to an enclosed wraparound fixture
- These diffusers use a line pattern (ridged) lens with white sides and black end caps
- Ideal for single lamp fixtures

Applications

- Kiosks
- Stairwells
- Valances
- Under cabinets

Order code	Description	Colour	Material	Nominal size (in.)	Trim size (in.)	Depth (in.)
35470	UNILITE DIFF ACR WH 24L	White	Acrylic	2 x 24	1.75 x 24.00	2.25
35471	UNILITE DIFF ACR WH 36L	White	Acrylic	2 x 36	1.75 x 36.00	2.25
35474	UNILITE END CAP ACR BL	Black	Acrylic	-	-	-

HID Drop Lenses

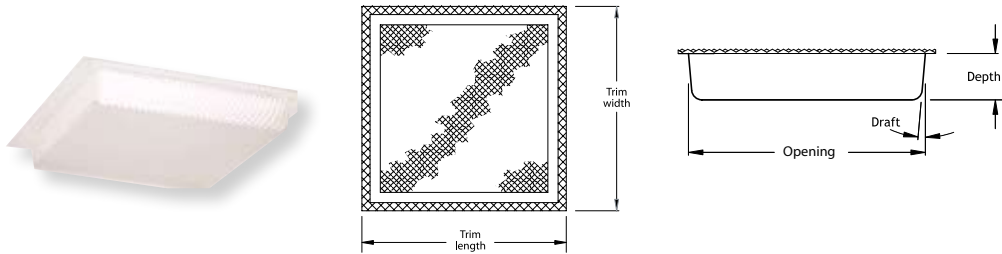

Features and Benefits

- Specially designed for outdoor applications where wide luminaire spacing is desirable
- Provide maximum efficiency with excellent lamp obscuration
- Prism pattern inside finish to minimize dust accumulation and adhesion
- Available in a variety of patterns, sizes, and materials

Applications

- Outdoor applications
- Service stations
- Parking lots
- Street lighting
